STATEMENT OF SUBSTANCE OF INTERVIEW AND
SUBMISSION OF TERMINAL DISCLAIMER

Sir:

The Examiner is thanked for the courtesies extended during the telephonic interview held on September 30, 2008 to discuss placing the present application and related application 10/294,930 in condition for allowance. During the interview, the Examiner confirmed that filing a terminal disclaimer with respect to U.S. Patent No. 7,228,313 in the present application and the '930 application would place each application in condition for allowance pending an updated search. Without conceding the propriety of the Office's double patenting rejection rationale over U.S. Patent No. 7,228,313, and solely to expedite prosecution, Applicants have submitted herewith the aforementioned Terminal Disclaimer with respect to U.S. Patent No. 7,228,313 to place this application in condition for allowance.

It is believed that this response represents a complete written statement as to the substance of the interview, in accordance with M.P.E.P. § 713.04.

Should the Examiner believe that issues remain outstanding, it is respectfully requested that the Examiner contact Applicants' undersigned attorney in an effort to resolve such issues and advance the case to issue.

The \$ 140.00 fee for the submission of the Terminal Disclaimer has been submitted herewith. Please charge any additional fees required for the submission of the Terminal Disclaimer, or credit any overpayments, to Deposit Account 503939.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
